Team USA ATVMX Onsite in Italy for Quadcross of Nations

Fans can Stream International Competition this Weekend

Members of Team USA ATVMX are in Cingoli, Italy, in order to begin onsite preparations for the Quadcross of Nations event on October 7-8. Bryce Ford, Joel Hetrick and Chad Wiene will collaborate in an attempt to bring home a fifth international title to the United States.

"Preparation for the competition has been ongoing for months, so it's exciting to be onsite to make chasing our fifth championship a reality," said Team Manager Mark Baldwin of Baldwin Motorsports. "This is the same team that earned the title last year against fierce global competition, and they are motivated to do it again."

As the reigning champions, the team will run red numberplates on their Yamaha machines at the Bartlomeo Tittoni circuit as they compete against 54 other riders.

Phoenix Racing Yamaha's Joel Hetrick, four-time AMA Pro ATV Motocross National Championship series champion, will sport the #1 on his ATV.

Ford Brothers Racing/FXR/SSi Decals/CST's Bryce Ford will feature the #2.

Eight-time AMA Pro ATV Motocross National Championship series champion Wiene Motorsports/Maxxis/SSi Decals/Fly Racing/Yamaha's Chad Wiene will run #3.

As the reigning champions, the team will run red numberplates on their Yamaha machines at the Bartlomeo Tittoni circuit as they compete against 17 teams from various countries, totaling 54 riders.

On Saturday, each rider will compete in their own moto against one member of each country to determine who will go to the gate first for the following day's event.

On Sunday, they will each race in two 25-minute motos, with the team's five scores combined for an overall finish position. The following includes the rider's assigned motos, as chosen by the team's manager:

- Moto 1: Hetrick and Ford
- Moto 2: Ford and Wiene
- Moto 3: Hetrick and Wiene
